Download Our New MobiMoney App Today!

At C&O United Credit Union, we are always looking for ways to provide our members better and safer ways to utilize their credit union. We are now offering a new mobile app that will help keep you and your money secure. MobiMoney is a mobile app that offers you a convenient way to manage your debit card. MobiMoney enables you to easily activate and deactivate your cards, receive instant alerts on your mobile devices, and limit usage based on location, merchant preferences, transaction type, and threshold amounts. Lost your debit card? No problem. Just block the card from your mobile app until you find it. This new app will help you take charge of your debit card and keep your money safe from theft. What do you need money for this spring?

The sun is shining longer and warmer. The flowers are blooming and the bees are buzzing. As you are drawn outside to soak in the beauty of spring, you may be inclined to notice the back deck is starting to splinter. Also, the gutters look a little leaky. Wow, the landscaping is in quite a disarray. Is that roof shingle in the lawn? And, what was that noise the car just made?

Don't fret. You are a member of C&O United Credit Union! We can help you with all of your spring financial needs. Home Equity loans and unsecured loans can help you get the money you need for all of those spring repairs at a great rate! And with our fast and friendly service, applying for and closing on your loan is a breeze.

Our car rates are hard to beat too! If you are looking for a new or new-to-you car, come see us first! We can get you preapproved with a great rate to give you a much easier shopping experience. When shopping without a preapproval, car dealers will run your credit over and over possibly putting a ding in your credit score. Apply for a loan with us before you go shopping!

Use C&O United Credit Union for all your financial needs this spring!
